## UNIVERSITY HEIGHTS ACADEMY

The school seeks to provide educational opportunities that will allow every student to achieve to the best of his/her ability and to develop as a whole person.

## Lower School Aftercare News

If your child is going to aftercare in the afternoons, you will need to pick him/her up by going through the second set of glass doors in the back of the building. You can drive to the back by using the road that is located on the left side of the building (facing the front of the school) next to the playground. Please be careful and watch for cars that may be pulling out from the back road.

## Lower School Wish List

# NEW TRAFFIC DIRECTIONS

The construction has caused several changes to our traffic flow while the work proceeds.

1. No normal through traffic or parking behind the building.
2. ALL drop-off and pick-up will be in front or on the north side. Front doors (main entrance and lower school) will be open both morning and afternoon.
3. Students may be dropped off at the north doors (concession stand hallway).
4. Traffic from those doors will go down the hill and turn right into the one-lane road nearest the track. This road will be EXIT only at all times.
5. To park in the north lot (student parking), come up the circle drive, turn right down the hill and turn left into the student parking lot.
6. The new front parking lot is for staff and visitors.
7. The upper (old) front parking is for administration, pre-k drop-off/pick-up and quick (15 minutes or less) front office visitors.

Please see the diagram below and follow the painted arrows and signs. As always, be very cautious on the driveways and in the parking lots as we adjust and revise our plans during this construction year!
