3rd Grade (Heading into 4th Grade) Summer Math Packet/ UHA

Dear Parents and Students,

This summer's math packet contains problems and questions that were practiced in third grade. In order to keep you well prepared for fourth grade, this packet was made for you to keep your math skills sharp. Also attached is a nightly practice sheet for multiplication and division facts. Please return the packet, and signed sheet, on the first day of school (each is worth 50 points for a total of 100 points).

Multiplication and Division Facts Due in August

Parents,

Please have your child study their multiplication and division facts each day for 20 minutes per line below. It is imperative that they memorize these facts. This assignment will be worth 50 points. I can't stress enough that your child must know his/her multiplication facts in order to continue on successfully in math. Please sign below on one line, for every 15 minutes your child has practiced. This is due by the first day of school. Thank you!
