

2017 Entering Fourth Grade Summer Math Practice

Name _____

Please have your child study their multiplication and division facts each day for 15 minutes per day. This assignment will be worth 50 points. It is crucial that your child knows his/her multiplication facts in order to continue on successfully in math. Please sign below on one line, for every 15 minutes your child has practiced. This is due by the first day of school. Thank you!
