

Since 1973, University Heights Academy has offered college preparatory and accelerated academic programs with a technology-based curriculum to families in Hopkinsville, Christian County and surrounding areas.

In our over 40 years, we have been fortunate enough to expand our campus to accommodate a growing student body. Now with nearly 400 students enrolled for the 2017-2018 school year, it comes the time to plan for future growth. By adding the new classroom expansion and parking facilities, we will be better able to educate our students now and for years to come.
