

TUITION REFUND PLAN

Dewar's Tuition Refund Insurance protects the parent or guardian against loss of unearned tuition in case the student is unable to, or does not, complete the school year. This coverage is available to all parents or guardians of UHA students, but is not required of those paying their tuition on an annual basis. ***It is required of those paying their tuition by the monthly payment plan.*** The premium for this coverage is 3.3% of the total amount due. Insurance applies to tuition only. Other fees are non-refundable.

FEES ASSESSED

There will be a \$25 fee assessed for each check or bank draft returned. A 12% interest charge will be added to any balance 30 days old. If an account is 30 or more days old, the Business Manager will call and students may be suspended and/or grade reports held until bills are paid. The family will be responsible for unpaid balances as per the contract. The Business Manager must be notified of extenuating circumstances prior to billing date.

MONTHLY PAYMENT PLAN

Those electing the monthly payment plan (12 payments, June 2018 through May 2019) may do so by automatic funds transfer only. If you choose the monthly payment plan, please complete the Bank Draft Authorization Agreement, and return it along with a voided check to UHA with your enrollment agreement. The first bank draft payment to UHA will be initiated in June 2018. A 12% interest rate is charged on outstanding balance.

**Limited Tuition Assistance is available to qualifying families.*

To guarantee a place in the class, each family must sign an enrollment contract and forward it to the office with the non-refundable enrollment fee. Students are enrolled for the full academic year. No refund or changes in the contract will be made by the school for absences, withdrawal or dismissal. This contract is necessary since the school has continuing expenses such as plant maintenance and faculty salaries. In order to plan and maintain these services for the year, it is essential that the annual income from tuition charges be known and stable.

Reduced enrollment fee & tuition will apply to NEW students if enrolled by August 10th (provided signed Enrollment Agreement, Enrollment fee and Tuition payment received on date of Enrollment).

Enrollment Fee will be waived for NEWLY enrolled children of Alumni (UHA Graduate) for the 1st year. Families receive a 25% tuition discount on third and subsequent children.

Tuition covers the daily expenses of operating the school and maintaining the facility.

School Fee includes activity and athletic fees, school newspaper and newsletters, cost of computer supplies, maintenance, and software. It also covers the use of all audio-visuals and duplicated materials, library and music supplies, assemblies, etc. It does not include insurance or optional school pictures.
