

University Heights Academy 2020-2021 Healthy at Sports Reopening Plan for Fall Sports

Competitions follow UHA SAFETY MEASURES

- *Temperature Checks*
- *Face Coverings*
- *Social Distancing*
- *Frequent Handwashing*
- *Enhanced Cleaning*

All spectators, visitors, and student athletes will complete a COVID 19 Health Self-Assessment Form and go through a temperature check station upon arrival to competitions. No one will be permitted to enter displaying COVID19 symptoms or fever.

Emergency Response - If a spectator, visitor, or student athlete becomes ill during an event, they will be isolated and arrangements will be made for them to leave the property immediately.

Student Athletes:

UHA students will follow the UHA COVID 19 Decision Tree for school decisions. Once an athlete who tests positive with COVID 19 has cleared, they will follow the "Return to Play" steps as directed by the KHSAA.

Student athletes are encouraged to shower and wash clothing immediately upon returning home from practice or competition.

All student athletes need to bring their own water bottle and supply labeled clearly with their name. No hydration stations will be available. Foods should not be shared. Student athletes are responsible for their own supplies. Visiting teams bring their own water.

Student athletes must wear masks during the event. Only student athletes that are actively playing in the game are allowed to not wear a face covering.

Coaches:

Coaches must wear masks during the event.

Spectators:

Volleyball and Soccer ---- Spectators for Segment 1 (September 7-18) will be limited to parents, grandparents, and siblings of the student athletes.

No students (unless an athlete's sibling) will be allowed during Segment 1

All spectators must wear a mask upon arrival and during the games.

Media will be allowed following KHSAA requirements and recommendations.

Upon Arrival – family members of home and visiting teams will go through the ticketing and health/temperature stations. All spectators and workers temperatures will be taken. We encourage all spectators and workers to complete their self-assessment form in their vehicles prior to going through the health/temperature station. The form can be handed to the station worker upon arrival.

Family units and those who traveled to the contest in the same vehicle should sit together while the entire group should socially distance from other family groups.

No bleacher seating available for soccer spectators.

Concessions:

All workers must go through the health/temperature stations upon arrival. The workers must wear masks and gloves. Concessions can sell prepackaged items like candy, chips, and drinks. Popcorn, hotdogs, hamburgers, and sandwiches can be prepackaged by concession workers. All grilled or cooked items must be prepped and wrapped before the gate opens. Open condiments and condiment tables are not allowed. Concession lines should be marked and socially distanced.

Tickets:

We encourage UHA Families to purchase the Booster Family Pass or Team Season Pass, to limit the money exchange upon entry to games. However, all spectators will be able to purchase tickets at the door. Ticket sales will be after spectators have gone through the health/temperature station. All tickets are \$5 a piece (school age to adult). Gates open 45 minutes before game time.

All gate workers will have to wear gloves and masks.

Soccer and Volleyball Coaches will follow the guidelines listed for them in the 2020-2021 healthy at Sports Stage 3 Performance return to Competition: Individual Sport Considerations – submitted 8/25/20
