testing week.

# the PROM

Parents and UHA supporters,

We are just one week away from Prom! Let's help these students have the night of their lives!

Since 2010, UHA has made prom an "event" and now it's well known to many students from surrounding schools as well. Whether it's "minute to win it" games or trivia challenges, the kids have chances throughout the night to win gift cards or cash. If they stay till the very end, names are drawn for BIG cash prizes. Let me assure you, very few leave early!

Then, COVID. Prom 2020 was a casualty. We would love to make 2021 a little more normal and a lot more fun!

This is where we need your help. Gift cards of any amount are needed by the dozens. Restaurants, iTunes, Amazon, gas cards, Walmart... anywhere the kids would shop, the card would be appreciated. And we all know CASH is "one size fits all!" You may drop these off in the front office anytime between now and next Wednesday, April 21st. Please let us know who you are... we want to let the kids know how much support they're receiving!

Lower and middle school parents – Why are you receiving this email? You won't believe how quickly your little ones will be preparing for prom... it's crazy! Many parents who have students attending prom this year started donating to this event way back when they were lower school parents. Growing up seems to happen in the blink of an eye!

School groups and clubs – you can also make a donation to this event. Discuss it with members of your group and see how they might like to contribute.

And parents, let's do all we can to keep these kids safe and off the road early on prom night. Share this with your friends and family, and we can come together to promote another amazing night of memories for our students!

Thank you so much,  
Tracie Atwood :)
