UHA Students Represent in YMCA Youth & Government Programs

Congratulations to Sophomore, Livi Ray. Livi was one of only 50 students from across the nation to be selected for the YMCA Youth Advocate Program. The students will get to travel to Washington D.C. to meet with legislators. Once there, they will have the opportunity to gain practical, real-world experiences advocating for policy solutions that address critical social issues.

Freshman Ava Roberts has also been selected to represent UHA in a YMCA Youth Government Program. Ava was elected Lt. Governor of the high school Kentucky Youth Assembly 3. Ava is UHA's first student elected to this position. KYA is an expanded, educational opportunity in which students serve as part of a model state government. Livi and Ava are great examples of how our students work hard and strive to be a good citizens.
