UNIVERSITY HEIGHTS ACADEMY

Dear Blazer Family,

We are announcing an exciting opportunity for all of our Blazer athletes. With the help of our new Assistant AD, Coach Chance Carner, UHA is beginning a strength and weight training program that will be available as an elective for high school students in the future. We will be converting the athletic building next to the playground into a modern and fully functional training facility. We are asking all of our blazer families to consider donating to help pay for renovations and equipment. Our goal is to raise \$40,000. Starting Tuesday, August 16th, you can simply click to donate at <http://e.givesmart.com/events/skv>. The fundraiser will end Friday, September 2nd.

Thank you in advance for your support,
UHA Boosters
